To Whom It May Concern:

The Pelham Main Street Program is gearing up to finish out the year with more exciting downtown activities for the community to enjoy, while we also hope to support and bring attention to our businesses. The next event that we would like to host is a downtown Fall Festival. The date has been set for Tuesday, October 30th from 5-7pm and will be located in the Rideshare Parking lot across from the Hand Trading Company. In case of rain we will hold the event on the depot platform.

You may remember in the past our program held a “Pumpkin Patch” and this event will bring that back. We do not want to reinvent the wheel and would like to hold a similar event this year, which has been requested by the community. In order to make the event successful we need participation from the community, businesses, youth groups, churches, and schools. Here’s how you can help:

This event will be set up like a carnival. We need booths sponsored and operated such as, but not limited to: ring toss, cake/cupcake walk, fishing, pick up ducks, bean bag toss, face painting, etc. We also need pumpkins and square hay bales on loan. Other events we would like to add is a hay ride, cart ride, and fall picture booth. The program will handle ticket sales, advertising, food and drinks. All you would need to do is create your booth, operate it, and provide treats and/or toys for the participants. If you are a business and unable to attend, we urge you to hold sales this day and extend your hours. Let’s get as many folks downtown as possible!

If you are interested in participating, use the attached form to let us know. We appreciate all the support our program receives and what a great way to give back to the community during this fun time of year! We are moving Pelham forward together and it shows!

Best,

Alyssa Blakley
